

2017 Samford Baseball Winter Showcase Camp

(2018 to 2021 Graduates)

We would like to invite you to an opportunity to showcase your skills while receiving instruction. Seniors are welcome as the process starts to focus on future classes. Each participant will work out in front of our coaches. The event will take place on the field unless winter weather forces it into the Indoor Hitting Facility. Pitchers will throw bullpens on the mound in a controlled setting.

Limited number of participants for this short camp. First 20 players to register.

Date: Friday, December 1, 2017
